The Middle Grades Integrated Curriculum Online Content Review Module, sponsored by the Bureau of Exceptional Education and Student Services is designed to help educators review their knowledge in the areas of English, math, science and social science as required in the Middle Grades Integrated Curriculum 5-9 certification exam.

Target Audience:

- ESE certified educators teaching basic education courses to students with disabilities in grades 5-9, who need to obtain Middle Grades Integrated Curriculum Certification to comply with requirements of No Child Left Behind (NCLB).
- Middle Grades certified general educators teaching basic education courses in grades 5-9, who need to obtain Middle Grades Integrated Curriculum Certification, to comply with requirements of NCLB.
- Middle Grades administrators seeking a resource to share when discussing content competencies required by new teachers teaching core content to all students in grades 5-9.

Module Features:

- * Self-paced online content review
- * Maintains demographic information
- * Provides twelve-weeks for content access
- * Free of charge to Florida Educators
- * Comprehensive
- * User-friendly

While the content covered in this review module is extensive, it does **not** replace the need for an appropriate, comprehensive study of each subject. Completion of this online module does not guarantee a passing score on the certification exam. Instructional support and in-service credit are not available with this module.

*Participants are required to register through the
FDLRS Administration/HRD Project at:
